**JOINT RESPONSE OF
DEFENDANTS IN OPPOSITION
TO PLAINTIFF'S "RENEWED
EMERGENCY MOTION TO
STAY OF PROCEEDINGS"**

"Plaintiff has been granted numerous extensions of time in this matter. Plaintiff is hereby put on notice that no additional extensions will be permitted."¹ Despite this Court's warning, Plaintiff now seeks a further extension of time. Much like last month, Plaintiff again found time to tend to other legal matters this month, including but not limited to drafting and filing a detailed medical malpractice lawsuit against a local doctor and hospital.²

Plaintiff claims not to have access to his computers, books and papers, or other resources necessary for his daily living, yet he was able to prepare the instant Motion (with exhibits), hand-deliver them to opposing counsel, and file them with the Court. He was able to prepare pleadings in his other pending cases. He was even able to file a new lawsuit, as referenced above.

In addition, Plaintiff mentions in his Motion that he intends to file numerous different motions, not just a motion for summary judgment. This Court previously made it clear, at the

² Exhibit A

hearing held on December 11, 2006 and in its Order issued thereafter, that Plaintiff is not permitted to file anything other than a response to Defendants' pending motions and his own motion for summary judgment, if any.³

For these reasons, Defendants respectfully request that this Court **DENY** Plaintiff's "Renewed Emergency Motion to Stay of Proceedings."

Respectfully submitted,
